

## GENERAL DESCRIPTION

The PULSE Niagara ShowerSpa is timeless in style and function. Elegant brushed nickel fixtures sparkle along the beautiful black stainless steel panel.

Take ultimate control of your new found oasis with three single-function body sprays, a sleek hand shower, and a rain showerhead. Designed to suit every need and stand out in any décor, the PULSE Niagara ShowerSpa redefines luxury.

## PRODUCT FEATURES

- Surface mounted and completely pre-plumbed, easily retrofit your existing shower without a remodel
- Black stainless steel panel with naturally-finished stainless sides and brushed nickel accents
- Rain showerhead with soft tips to clear mineral buildup for long lasting performance
- Three oversized soft tip body sprays envelope you with a soothing spray
- Single-function hand shower with double-interlocking stainless steel hose, stretches from 59–78" (1.5–2m)
- Three brass diverters easily utilize simultaneous or separate functionality of rain showerhead, handshower, and jets
- Run all your water pressure to one function or distribute to multiple functions
- Thermostatic valve allows you to leave the ShowerSpa set to your desired temperature

## SPECIFICATIONS

- cUPC® thermostatic valve with anti-scald, temperature limit and enhanced flow
- ½" NPT flexible stainless steel braided supply lines
- 2.5 GPM/9.5 LPM Shower System

## WARRANTY

- Manufacturer's three year limited warranty
