PULSE Showerspaspas Debuts

"The *Kauai Rain Shower System*"

Soothing Rain Showerhead with adjustable slide bar,
multi-function handheld and built-in diverter
Installs in less than 20 minutes!

October 1, 2007 – Watsonville, CA – PULSE Showerspaspas, Inc. will debut the "Kauai Rain Shower System" at the 2007 Remodeling Show in Las Vegas, Nevada. Designed to easily replace the traditional shower head, the Kauai system features a large, soothing rain style showerhead, custom shower arm, multi-function handheld with convenient slide bar and built-in diverter for easy operation. Affordably transforming the normal shower is the foundation of PULSE Showerspaspas and the Kauai Rain Shower system is no different. The company is exhibiting at Booth # 3034.

The Kauai Rain Shower System converts the ordinary shower head into the extraordinary! It utilizes the existing mixing valve, minimizing the expense, mess and difficulty of installation - can usually be installed in less than 20 minutes.

- Custom 8" rain showerhead made from brass and durable ABS
- Flexible shower head nozzles to prevent hard water clogging
- Multi-function handheld with 5 different spray patterns
- Adjustable slide bar with integrated wire basket soap dish
- Convenient built-in diverter for switching between functions
- Strong double locking brass hose with backflow prevention
- Retrofit an existing shower in less than 20 minutes
- Available in Chrome, Oil Rubbed Bronze and Brushed Nickel finish
- Patented design

According to Brian Edwards, president of PULSE Showerspaspas, "we built the PULSE Kauai Rain Shower System for the consumer who wants modern options in the shower and doesn't want to spend a fortune to get them." Enjoy the relaxation of a soothing rain fall or turn the air actuated diverter to the handheld function for an invigorating massage, cascading, misting, or regular spray pattern. The adjustable slide bar is also great for kids accommodating varying heights.

To schedule an interview during the show, or learn more about availability and dealer information, please contact PULSE Showerspaspas at 831.724.7300, or email info@pulseshoweraspas.com.
