

Vaquero ShowerSpa

1027

The old west inspired Vaquero ShowerSpa combines a rustic look with a contemporary feel. Hand-forged hammered nickel panel and brushed nickel components are a stunning combination. Featuring four brass Infinity Jets™ with 3 spray patterns, a brass rain shower head and five-function hand shower. Uniting old world craftsmanship with modern day performance.

- Surface mounted & pre-plumbed
- Brass 8 inch rain showerhead
- Nickel plated hand-forged hammer copper panel
- 4 dual-head brass body jets
- Brass diverter easily switches functions
