

## Aquarius

1052-BN | 1052-CH

The design and style of the Aquarius gives your bathroom a fresh and modern look by simply replacing your showerhead. The handshower's magnetic technology allows for easy return to the handheld holder.

- Surface mounted & pre-plumbed
- 8 inch rain showerhead
- All brass body construction
- Pivoting shower arm
- Magnetic handshower holder
- 5-function handshower
- Utilize 2 functions simultaneously with individual ON/OFF control for showerhead and handshower
- Drill-less mounting
