## Kauai II Rain Shower System Model # 1011-CH / 1011-BN

### ◆◆ Features ◆◆

8-In. Rain Style Shower Head/Chrome Finish

Stainless Steel Slide Bar: 27¼" Length

**Hand-Held Shower Wand**

Multiple spray patterns: Massage, Spray, or Cascade

**Adjustable Hand Shower Mount**

Push button convenience: Up, Down, Forward, and Backward

Stainless Steel Hose/Chrome Finish

**Convenient Brass Wire Soap Dish**

Adjustable Above/Below Hand-Held Shower

**Diverter Valve**

Selects 2 Functions: Shower Head, or Hand-Held Shower Wand

Designed to use your existing valve, it replaces the old shower head with an elegant rain shower head, multi-function hand-held shower wand with adjustable slide bar and wire basket soap dish. The diverter is located at the bottom of the slide bar, convenient for all heights. Easily installs in less than 20 minutes.
